## Terms and Conditions of Booking

- g. Fishing a river is obviously dependent upon the prevailing conditions. If the river is un-fishable, other activities may be planned at the discretion of the local guides. Some activities may incur additional expenses, but will be optional.
  - h. Guiding on the day of your arrival or departure. If you decide to fish this will be at your own risk and only in the proximity of the lodge.
11. Money cannot be refunded in the event of the river being un-fishable. The final decision of whether the river is fishable or not, will be decided by the local river guides.
  12. All guests by booking admit having read the terms and conditions as well as the risk assessment.
  13. Pioneer Flyfishing Poland supplies life jackets for our guests and declines any responsibility if these are not worn.
  14. Pioneer Flyfishing Poland might use pictures or movies taken during your stay, for our own promotional use. These could include our guests. If you disagree please inform us.
  15. San River is a pristine, highly protected trout and grayling fishery. The use of barbless hooks is obligatory when fishing the entire San river system. In addition, some stretches are no-kill only and a landing net is obligatory on these. Please note that breaking these rules could result in the withdrawal of your fishing rights and prosecution by the Polish Angling Association. In such event, Pioneer Flyfishing Poland declines any responsibility for guests not conforming with these rules. PFPL will make sure all guests are informed about these regulations each day.
